

Dear Beach School Parents and Guardians,

August, 2020

Welcome Back!

Our staff has been working hard to prepare for school opening and has a plan in place for keeping our children and adults healthy. We will be cleaning high touch areas throughout the day, washing hands, using hand sanitizer, wearing masks and practicing social distancing. We can do this! We are all very excited to be back to school and are anxious to see all of your children!

There will be a few changes in procedures this year due to Covid-19, but if we all work together, the transition into these new routines should go very smoothly.

- The **Parent Pick-up** process will be our biggest change. Parents must remain in their cars. Students will be called out to your car and a staff member will help your child/children get in. Please refer to the Student Pick-Up procedures that are attached to this flyer.
- All students will be required to wear a **mask** when they enter the school building in the morning. Children riding the bus will also be required to wear a mask while on the bus.
- We are requesting that all students bring a filled **water bottle** labeled with first and last name daily.
- The **front office** is closed to visitors. If you have any questions, concerns, or need information, please call our front office between 7:15 a.m. and 3:00 p.m. and we will be happy to help you.

- **Be sure to set up a Parent Portal Account-** here's how: Go to bch@leeschools.net, click on the FOCUS tab and get registered. If you need assistance, please call Terry at 239-463-6356.

When your child arrives on the first day of school, all of our staff members will work together to escort the children to class.... especially our new kindergarten students. We will take good care of them! We are looking forward to seeing you on Monday, August 31st!

See you soon,
